Main achievements and Ongoing Projects

Pankh partners with Kiddy Pack of France

Donations to Kiddy Pack : Where does your money go?

Pankh has partnered with a French NGO 'Kiddy Pack'. The objective of 'Kiddy Pack' is to distribute school supplies and toys to under privileged children living in developing countries. KiddyPack places orders with Pankh to produce hand-made school bags / pouches / mats and napkins. Later, these supplies are distributed among identified target schools. This way, the incoming money gives jobs to Pankh employees to produce the handicrafts in addition to the final goal of helping the children with the school supplies. Double virtuous!! Currently, we are working to provide such supplies to more than **150 children** in and around Belgaum, India.
