Main achievements and Ongoing Projects

First Kiddy-Pack project in Kotyal, Bijapur

Pankh, in partnership with Kiddy-Pack of France, delivered their first project of school supplies (50 school bags, notebooks, pencils, mats...) to Jyana Bharati school in the village of Kotyal in Bijapur district, India on the 29th of Dec 2013. We, at Pankh, thank everyone involved directly or indirectly to have contributed in this noble deed. More such projects are in pipeline for the coming year.

We presented 'Pankh' and our activities to The Indian Professional Association (IPA) of Paris during the Diwali celebrations held on the 25th of October 2013 in Paris. Some sample handicrafts were on display.

Testimony

"Pankh is an excellent support for our own association, Kiddy-Pack. During our first common project we just finished, in India, this organization has demonstrated a strong ability to fulfill all its QCD commitments, even beyond the expectations. We strongly recommend them, and from our side, it will surely be a long-term partnership." Jean-Alexis-Benoit, President of Kiddy-Pack.
